PROFILE

I am a technologically-focused individual who has successfully transitioned careers and possesses a strong aptitude for problem-solving. I have recently completed the MigraCode Web Development Bootcamp in Barcelona and also hold a certification from The Rolling Scopes School. Currently, I am actively seeking a professional setting where I can effectively apply my acquired skills in a mutually beneficial manner for all involved parties.

EXPERIENCE

MigraCode Barcelona | Web Developer

Jul 2022 – Mar 2023, Barcelona, Spain

- Developed a responsive e-commerce website using HTML, CSS, JavaScript, and React, implementing features such as product listings, shopping cart functionality, and user authentication;
- Collaborated with a team of developers to build a web application using agile methodologies, participating in daily stand-ups, and utilizing Git for version control and code collaboration.

EPAM Systems | Intern(Javascript Laboratory)

Aug 2021– Jan 2022 , Minsk Belarus

- Developed using Javascript, HTML, and CSS to enhance functionality and user experience on web pages;
- Worked with Senior Developer and other interns to write code for a group project.

JSC "BELAGROPROMBANK", JSC "BELGAZPROMBANK" | Lead economist

2012 – 2020, Minsk Belarus

- Managed disputable card transactions, including international reclamations, to resolve non-standard situations.
- Collaborated with international payment systems and banks to ensure seamless operations.
- Demonstrated expertise in international payment systems procedures and rules, including Visa International and MasterCard WorldWide, for disputing card transactions.
